INTRODUCTION

I am a senior attending Texas A&M University with a major in Computer Science and minors in math and art. I currently work at 12th Man Productions and work in both broadcast and big screen productions of all major sporting events that happen on campus. I'm currently looking for opportunities in broadcast production after I graduate, possibly in audio or technical directing.

EDUCATION

- Bachelor of Science in Computer Science, Texas A&M University, 2012-present
 - Expected graduation date: May 2017
 - Classes include: Programming Studio (CSCE 315), Graphic Design (ARTS 303), Computer Graphics (CSCE 441), Interactive Information (CSCE 444), Computers and New Media (CSCE 445), Designing for the Web (VIST 474)

PROJECTS AND INTERESTS

- My personal website, www.bradenfrazer.com, was built by myself entirely from the ground up in HTML & CSS.
- Twitter Data Visualization - Rise Up October
 - Final project for an Interactive Information class. This website takes pre-fetched tweet data from the Rise Up October movement and provides a visualization for the most popular users in the movement with their tweet and profile data. Involves HTML, CSS, JavaScript, and D3.
 - Website can be found at <http://bradenfrazer.com/444/d3/iteration4/index.html>
- Interactive Text-Based Decision game
 - Final project for a Computers and New Media class, an Android application that allows the user to consume mini-stories in an innovative way, with choice-based outcomes and time-based functions implemented.
 - Report can be found at <http://bradenfrazer.com/445/finalreport.pdf>

PROFESSIONAL EXPERIENCE

- 12th Man Productions, Technical Director and Audio Operator, February 2015-present
 - Operated audio board for broadcasts of exhibitions of multiple A&M sports to the SEC Network+, including games that went linear to ESPNU and the SEC Network. Controlled audio for the video screen in the redeveloped Kyle Field for A&M Football games in the 2015 season as the first student to ever do so. Operated video switcher as the technical director for broadcasts of A&M baseball and softball games to the SEC Network+ in the 2016 Spring season.
- Sky Ranch, Audio Visual Technician, Summer 2016
 - Oversaw all audio, video, and lighting production for major events on camp. Maintained A/V equipment on site during the summer and assembled sound systems to be used each night for events on camp.
- First Baptist Church, Ministry Audio/Video/Graphics Intern, Summer 2013 & Summer 2014
 - Pioneered development of and finalized the new website, and assisted the Director of Media Technology in launching the live stream capabilities of the church. Facilitated media production, duplication, audio editing, and video editing. Aided in graphic design used for ads, the new website, and the church bulletin. Assisted in the planning, set up, and operation for all major programs and events.
